

# Warranties & Guarantees

Warmup provides a **Lifetime Warranty** on all its under tile floor heating products because not only do we maintain the highest standards in manufacturing, we are the only company with an EN422-2 Testing Facility that continuously tests, Quality-Controls and improves our range of heating solutions.

Despite the harsh environments in which they operate, Warmup is able to provide a 10-year warranty on all its outdoor heating cable solutions. This promise is well-beyond industry standards and is paired with the most practical and effective promise: Warmup's SafetyNet™ Guarantee.

The SafetyNet™ Guarantee offers all installers the ability to receive a free and immediate replacement for product damaged onsite, for any reason. Because 99% of issues happen during installation and not thereafter, Warmup wants to ensure that the system installed is free and clear of any defects or damage.
